From Major T.P. Charles, ^{TC/NCS} Commander, Field Operations

Subject Enforcement Guidelines/4511.21 Speed

The following information is in response to a question from field personnel regarding enforcement of ORC 4511.21.

Question: Can buses in use by musical groups or organizations operate at 65 MPH on interstate highways outside of urban areas?

Interpretation: Yes. Buses in use by musical groups or organizations in the transportation of persons for compensation do meet the provisions of 4511.21 L2, definition of a "commercial bus." Enforcement provided under ORC 4511.21 D2.

A copy of this IOC should be attached to Policy 9-200.05, and enforcement guidelines section 4511.21.

Direct any questions to Driver and Vehicle Services.
